

DISTRICT MAREP OFFICER'S REPORT

NIAGARA DISTRICT AGM

I attended Niagara District Council meetings and am in contact with the other Marep officers.

Over the past year, I organized a tour of Canadian Hydrographics at Canadian Centre for Inland Waters which turned out to be interesting as we also got to see part of the Canadian Coast Guard facilities as well.

I also organized a tour of Canadian Hydrographics in Ottawa which provided a different perspective of Hydrographics and all that it entails.

Another tour was organized in March of the Weather Channel which I was not able to attend due to work scheduling but everyone enjoyed it and I am sure there will be more.

Don't forget to continue making submissions and letting the Squadron commanders and District Marep officer know about them. It is our responsibility as well to ensure the waters we boat on are safe and communicate any possible changes.

David Bull is assuming my position as District Marep and will do a terrific job. Good luck, David.

Respectfully submitted,

Diane Allan
District Marep Officer
