District Commander's Report to the Niagara District

Since the 2010 District AGM, I have represented Niagara District at many Squadron AGM and Graduation events. Because some Squadron events were held on the same dates as other Squadrons, I asked Jim Brown, Garry VanZandt, Bruce Holden and Ernie Whalley to represent Niagara at those events I could not make. Thank you, gentlemen, for helping out!

I have been in contact with our ad hoc Membership Committee Chair as well as all Niagara Squadrons about the issue of combining some of our different membership levels. The ad hoc committee that is set up to explore this issue has received every response that was sent to me from our members.

The June 16th District BBQ Social has been set up at Pine Grove Community Centre in Brantford once more I have sent out and invitations to all Squadron Commanders for distribution to your Bridge Officers. Please note that I need an RSVP from you so I can arrange for enough food. Janice Fleischmann and Jamie Miller will be presenting a travelogue of their recent trip south on their Morgan 384 sailboat.

I am in the middle of designing a calendar of monthly meetings for next year. If you have input for me about topics to be discussed, please get them to me as soon as you can.

Respectfully submitted,
D/C Bill Allan SN
