

Port Colborne Squadron held their AGM and graduation on May 7 2010

D/C Bill Allan and his wife Diane were in attendance,D/C Bill pledged the bridge and welcomed our three graduates into CPS

Thanks to Bill and Dianne for attending the event

A good time was had by all.

Our next event will be on June 5 at the Sargarloaf Marina boat sale , we will have a booth promoting CPS and later in the afternoon we are going to have a flare demonstration.

We have five members who would like to become RVCC examiners and the process of getting them tested is progressing slowly

Respectfully submitted
