

FORT ERIE POWER & SAIL SQUADRON REPORT

Sunday, May 23, 2010

These past few weeks have been busy for Fort Erie Squadron. It was an honour to host the Niagara District AGM. I'd like to thank National Administration Officer, Catherine McLeod, for attending, as well as the Niagara District Bridge, and Fort Erie Power & Sail Squadron, for their help and support. Congratulations to new District Commander, Bill Allan, and best wishes to Past Commander, Jim Brown.

We held our graduation on May 1, 2010 at Betty's Restaurant in Niagara Falls. We graduated three Boating students and recognized five Seamanship students. Representing Niagara District was District Commander, Bill Allan. Merit Marks were also awarded and one Life Membership was awarded to Squadron Treasurer, Gord Kennedy. A good time was had by all.

Fort Erie's AGM took place on Wednesday, May 5 at Bertie Boating Club. Past District Commander, Jim Brown, pledged in new Commander, Stephen Alexander, and his new Bridge.

We are halfway through a Boat Pro Course with ten students completing the course this Saturday. We also have four members interested in obtaining their RVCC certification on June 6, 2010.

Since this is my last report, I wish all the best for Commander Stephen Alexander and would like to thank my Bridge and the members of Fort Erie Power & Sail Squadron for all their support.

Respectfully submitted,

Steven Cheu, P
Past Commander
Fort Erie Power & Sail Squadron
