

Cambridge Squadron Commanders Report
For November 16, 2011

Since our last meeting I attended the National AGM in Halifax, and the KW Squadron 50th Anniversary Banquet. KW must be congratulated on a job well done.

At the Cambridge Squadron we are working diligently on our upcoming 50th anniversary celebration in April of 2012.

We will be running a boating course starting in January. To date we have six students, we are also placing ads in the local newspaper in hopes of getting even more attendee's.

Our Squadron has also entered a float in the Cambridge Santa Claus Parade, which is being held this coming Saturday evening. Our Christmas Festive Event will be held on Friday December 2nd. Hope to see some of the other District Officers attend. We will be offering a dinner, entertainment and boat races. Cost is \$15. See Al for tickets.

Respectfully submitted.
Al Saynor
Commander
