

Niagara District Power & Sail Squadrons  
Electronic Communications

November 16, 2011

I attended the Halifax Conference. It was good to hear most of our squadrons responding when roll call was read out at the Annual General Meeting.

I was able to attend the Marketing Seminar, Membership Seminar and the Information Technology Seminar.

Presently, I am working on a facelift for the District Web Site.

Respectfully submitted,

A handwritten signature in blue ink that reads "Donna Lankin". The signature is written in a cursive, flowing style.
