

Squadron Commander's Report to District

November 15th, 2011

The boat show will be here before you know it.....

The highlight of my report this month relates to training. The Guelph Squadron is experiencing a surge in Boating Course students. Our Training team has managed to recruit 23 potential new members. This is the largest Boating class that we have had in years. We also have a Seamanship class of 5.

Global Weather, Navigating with GPS and Electronic Charting are planned for the Winter session. Needless to say, our training team is keeping busy.

In October, I represented the Squadron at the National AGM and Conference in Halifax.

A Christmas Social is planned for Friday, December 9th. Details can be found at;

A Fall update was prepared and sent to all members in Mid-November. An important piece of that update is the latest issue of our newsletter, the "[Blinkin' Buoy](#)".

Respectfully submitted,
Wayne Young
