

Port Dalhousie Squadron Report to District November 2011

D/C Bill Allan was a special guest at the bridge meeting on November 9. Most of the meeting was devoted to a report by the squadron commander about his observations and notes from the recent National Conference in Halifax. The D/C was able to answer additional questions and provide background from the perspective of Governing Council. Additionally D/C Allan spoke about the upcoming Officer Training seminar. The planning for the 2015 National Conference, to be hosted by Niagara, is just at the beginning stage. Port Dalhousie was asked to research possible sites within the St. Catharines to Niagara-on-the-Lake area.
