

Cambridge Squadron Commander Report
September 21, 2011

The Cambridge Squadron is presently working on our plans to celebrate our Fiftieth Anniversary celebrations. We are planning on holding our celebration sometime in mid April. We are also working on the design of our burgee to add the gold bar for our fiftieth year.

As we have a surplus of cash we are planning on a large advertising campaign in order to increase attendance and registration for our Winter courses. With the increased registration we will also increase our membership base. We also plan on investing in several advertising media to increase awareness of the squadron within the community.

I would also like to report at this time that our bridge continues to be strong and have even taken on two new bridge members this year.

Respectfully submitted,
Al Saynor
Cambridge, Squadron Commander.
