September 21, 2011

First of all, I would like to thank Ernie Whalley for posting the reports in May, when I wasn't ready to take on my new responsibilities.

I have once again familiarized myself with Dreamweaver and FTP software, so we can move forward with a new facelift on the website.

I attended National Secretary, Elaine Jeffrey's funeral, since I worked closely with her on Members Moorings. I was very impressed to see around 90 representatives of CPS at the church service, as well as half a dozen members of USPS. She will be missed, but at the same time, I congratulate our own Jim Brown for taking on the National Secretary's responsibilities.

Respectfully submitted,

A handwritten signature in blue ink that reads "Donna Lankin". The signature is written in a cursive, flowing style.
