

KITCHENER-WATERLOO POWER and SAIL SQUADRON, COMMANDER'S REPORT

TO

NIAGARA DISTRICT COUNCIL MEETING Sept 21, 2011

1. This year's Squadron Rendezvous was held at Wye Heritage Marina, near Midland on Georgian Bay, July 22-24. The Commander and some Bridge members from the Midland Squadron, the mayor of Midland and Niagara District P/D/C Jim Brown attended our opening session on Friday night. Despite the very hot weather that weekend everyone enjoyed the program planned and executed by Rick & Ardys Brenneman and their industrious committee. A morning bus trip to Discovery Harbour in Penetang and later various game activities/contests at Wye were the highlights on Saturday.
2. Planning has been started for the proposed Rendezvous 2012 to be staged from Gore Bay in Aug 18-25th. An information/registration meeting is expected in November to provide the best chance for the desired charter boat rentals from CYC. If you are interested in joining this expedition please contact Rick at rickardys@hotmail.com.
3. Our Squadron will be celebrating 50 Years of Teaching Safe Boating with a Gala including a dinner with wine and entertainment on OCTOBER 29, 2011 at the Delta Hotel in downtown Kitchener. There is a choice of three entrees, Beef, Chicken or Salmon Wellington, or a special can be provided for dietary/medical reasons, to be made when buying tickets which are \$25 – you can't afford not to go. Chief Commander Elect Richard Bee has accepted our invitation and P/D/C Jim Brown has agreed to be our Emcee.
Come and help us celebrate. Bill/Diane Allan have tickets and I have some with me tonight.
4. Our fall course registrations have been very sparse with only a November VHF course likely to be given.

Respectfully submitted

R. Glenn Shugg, SN rgs@gto.net 518-894-5335
