

**Niagara District  
eCommunications Officer AGM Report  
For 16 Apr. 2011**

This is my final report as the District electronic Communications Officer. It has been my pleasure to serve with the dedicated folks that make up the Niagara District.

We have made some changes/ additions to the district web site that allows District Officers to review other officers Reports to district prior to District council meetings and listings of Squadron Events.

The 2010 AGM minutes and all Officers' reports received by noon, the 15 April for today's AGM are posted at our web site. I trust we can all relax a bit and enjoy a great summer on our respective vessels, or perhaps someone else's.

Respectfully submitted  
DeCO Ernest Whalley SN
