

Administrative Officer Report
Niagara District Council Meeting Feb 16, 2011

Preparations for the Niagara District's 53rd AGM for 2011, and Brant Squadron's 50th Anniversary Celebrations, on Friday April 15th and Saturday April 16th, are well underway and apparently under control.

I have attended several meetings of the Planning Committee and with all the short term snowbirds on the committee going on a winter break, have been shanghaied into ticket sales etc.

The Brant Committee hopes that District members will participate in both Day's activities. Friday night's celebration promises to be a great event.

I have tickets available. Cost for Saturday only will be \$20 – excellent full lunch provided by the Polish Hall - noted for not leaving anybody feeling hungry.

Cost for both days will be \$50.00.

I am pleased that District will participate at the Central Ontario Boat Show – it would be a real shame if we did not take advantage of the opportunity.

Please accept my apologies for missing several District Meetings while involved in teaching the Boating Course. Our shortage of both Students and Instructors is of significant concern, especially since I recognize that Brant is not alone in this regard.

Respectfully Submitted,

Lem Tamm
