

## BRANT POWER & SAIL SQUADRON

Our 50<sup>th</sup> Anniversary dinner was a sell out with 150 in attendance, had a great meal and followed by a presentation from Nancy and Steve Lefneski's on circumnavigation adventure, that was enjoyed by everyone. We also had our new 50<sup>th</sup> Brant Squadron burgee to display and sell. There was lots of draw tickets sold, one for a sailing weekend donated by Norm and Krys Mills in Penetanguishene, and a homemade lighthouse quilt donated by Sharon Reeve, that was on Fri April 15<sup>th</sup>, and on Sat. we hosted District AGM, with John Newbury of Cambridge Squadron as guest speaker.

As you all know it is hard to get people out to take courses, in the last few years we have not had a full class so we held a strategy meeting on May 16<sup>th</sup> and each bridge member sent 4 issues that they see key to the success of the Brant Squadron, and Art Meens chaired the meeting, which was very interesting. Out of this meeting came many questions on what we are doing well, and different ways to improve, and try new ideas.

Respectfully Submitted

Commander Don Elliott
