

Cambridge Commanders Report  
For February 16, 20011 Meeting

Things have been pretty quiet in Cambridge, we are busy running our classes for Boating, VHF and Boat Pro. Classes are small, but everyone is having a great time. We are about to begin our nominations for next years Bridge and hopefully we will pick up at least one new bridge member this year.

I will be helping Les Armstrong set up the District Booth at the Hamilton Boat Show on Thursday and hope to help out on the days that there are few volunteers to man the booth.

Respectfully submitted  
Al Saynor
