

COMMANDER'S REPORT
DISTRICT MEETING
May 18, 2011

On April 17th, the Fort Erie Squadron held our 49th Graduation at Betty's Restaurant. District Commander Bill Allen and his wife Diane attended the Graduation. DC Bill Allen pledged in the graduating students and welcomed them to the CPS.

The Fort Erie Squadron AGM was held on May 4th at the Bertie Boating Club. District Marep Officer David Bull was in attendance and pledged in the Bridge for 2011. The Squadron did have a couple of changes in Bridge which I am hoping will benefit the Squadron.

A few of the Bridge officers will be meeting at our training center to discuss the Safe Boating Week and a Summer BBQ for our new members to get acquainted with existing members. This will be held at Miller's Creek Marina in Fort Erie.

The certified RVCC inspectors will be receiving the material for this seasons safety inspections in the next couple of days and are anxious to start the inspections.

Wishing all a safe and enjoyable boating season.

Respectfully Submitted
Stephen Alexander
Commander Fort Erie Power and Sail Squadron
