

Instructor Development Officer's Report
Niagara District Meeting Feb. 17/10

The course is set for the 27th of February and March 20th, 0900 – 1600 hrs. Please note we start sharp at 0900. The venue is the Canadian Auto Workers Hall on Silvercreek Parkway just north of Woodlawn Rd. Coffee breaks are provided, however we do not provide lunch. There are several facilities available in the immediate area. I have five candidates as of this time with room for one more. Time required to hear the final presentations prohibits more than six participants. I would expect to have another added no later than Wednesday at the District meeting.

Respectfully submitted,

Ken Budd, I.D. Officer
