

Niagara District

Commander's Report  
February 17, 2010

The past month since the last District Meeting has been busy with submitting Merit Marks for the District Officers and Squadron Commanders, taking the opportunity to visit Squadron Bridge Meetings and finalizing the District Nomination Report for 2010-11.

All Squadron and District Merit Marks were submitted prior to the January 31<sup>st</sup>. deadline, and for this, I thank the Commanders for their input.

Last week I had the opportunity to attend a Squadron Bridge Meeting in Port Dalhousie.

Commander David Bull and his group conducted a very productive meeting and it was good to see such a positive interaction among all Bridge Officers.

I will be attending the Port Dover Bridge Meeting tomorrow evening and look forward to seeing the group again.

My main objective in attending these meetings is to have the opportunity to meet the Squadron Officers who I am not acquainted with, and to hopefully answer any questions they may have.

I have been invited to attend the upcoming Training Officer's Meeting March 5 & 6 and plan to present an update on the National MAP2 Program and Evolution of Change Marketing Program.

Both programs have had a very positive impact on the current and future success of CPS.

D.T.O. Bruce Holden will be representing the Niagara District at the meeting and I encourage you to bring any training issues or questions to Bruce's attention prior to March 5<sup>th</sup>.

I will also be attending the Governing Board Meeting at the end of March and once again, solicit any issues or questions you would like to have brought forward.

We are fast approaching the end of our Training Season and you will be hosting your local AGM's and Student Graduations.

Please get your dates into myself early so that we can ensure District representation at your events.

Thanks again to D.E.O Bill Allan for hosting the January meeting.

Respectfully submitted.

Jim Brown  
Niagara District Commander
