

BRANT POWER & SAIL SQUADRON

November 6, 2011

Brant Power Squadron successfully hosted the Boating 1 & 2 course this fall. Boating 1 is complete and Boating 2 is on-going. The VHF course begins on November 9, 2011 and will last three weeks. We are planning to run another set of courses including the GPS course, based on demand in the New Year.

Respectfully Submitted,

Commander Dan Symes
